

Let's Sing!

FREE & friendly singing groups for children

There's a group near you!

East Lothian Council's Arts Service, in partnership with the National Youth Choir of Scotland (NYCoS), invite all children in P3-P7 to participate in one of their area singing groups.*

The sessions are great fun. We play singing games, learn new songs, develop music skills, gain confidence and make lots of new friends. In March all the groups perform together in a concert at The Brunton.

Free
weekly sessions!
Jan-Mar
2018

* All P3 children receive a Taster Session in school time.

Why should your child join a NYCoS Singing Group?

- Sessions are really good fun! The children learn a wide range of songs and play musical games designed specifically to develop music skills, confidence and co-ordination.
- Music and singing are proven to be excellent for a child's development, both educationally and socially.
- Children have a chance to socialise and make new friends.
- Children have a chance to perform in a real theatre with the support of staff that they know and surrounded by friends. Great for a confidence boost!
- Your child can attend a Singing Group at a time and place that suits you.
- Singing Groups are weekly (January - March) and run for one hour.
- Sessions are free as they are fully funded by the Scottish Government's Youth Music Initiative (YMI).
