# IMPROVEMENT PLAN 2022/2023

This year our focuses are:

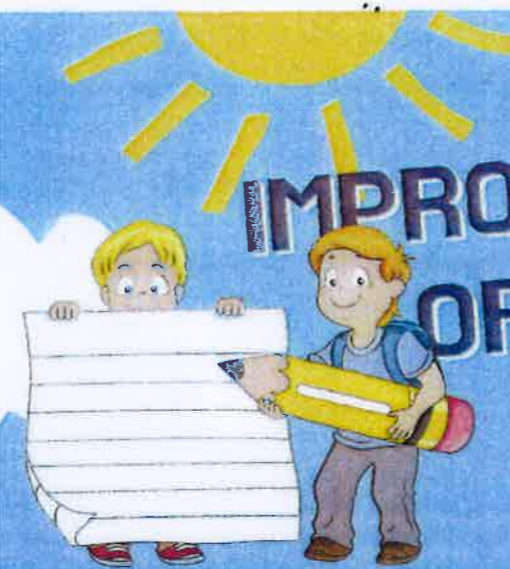

1. Improving the quality of our Literacy and Numeracy.

2. Helping all children feel happy at school.

3. Helping children develop their skills for life.

# IMPROVING THE QUALITY OF LITERACY AND NUMERACY

1. My teachers are doing lots of professional learning.

2. I know about the Macmerry Way and can say it is used in my lessons.

3. My school is focussing on improving my ability in writing and reading.

4. My school is focussing on improving my ability in Numeracy and Maths.

5. I can evaluate how good my school is using How Good is OUR School.
