## Care At Home Workers

**£8.45 per hour plus expenses**

*Are you looking for a challenging and exciting career in Social Care?*

If you are committed and enthusiastic about making a difference in people's lives we have exciting opportunities for you to join our growing care at home team based in Midlothian.

It is an exciting time for our care at home and reablement service as we support integration to provide high quality health and social care for people within their own homes.

Aspire are looking for enthusiastic and forward-thinking staff to provide care and support in a person-centred way for a wide range of individuals who have complex needs, along with support to return home following a period of time in hospital as well as preventing unnecessary admission to hospital or a care home.

We require staff with the right attitude and we provide the training & development to equip you with the necessary skills. With excellent rates of pay, employee benefits and job satisfaction you can really make a positive difference to local people's lives across Midlothian.

**If you value choice, independence, citizenship, empowerment, social inclusion, respect diversity and will care and protect the vulnerable adults and children in our local community... Come and join us!**
