## Welcome

A very warm welcome to the North Berwick High School Model United Nations Conference 2017. Over the last four years, MUN has built up a sizeable following here at North Berwick and we are proud to be hosting our second conference. Being relative newcomers ourselves, we are particularly delighted to be introducing MUN to a number of first time delegates and delegations, whilst feeling a sense of relief that there are a few more experienced delegates among us. Many of you may be feeling anxious about what the day may bring, but we hope that it brings you good food, new friends and sparkling debate!
