

North Berwick High School

## **Construction and Built Environment Challenge**

**Wednesday 22nd October 2014**

This year we are again entering a team of ten S2 pupils (five girls and five boys). The main aim is to work together as a team using a range of skills to solve a variety of construction type problems.

The venue for the first heat is Edinburgh College, Telford Campus, Edinburgh. Activities run from 12.30 – 3pm.

The minibus will leave the front of the school at 11am to allow for traffic in Edinburgh and time for lunch.

School uniform should be worn. Due to the active nature of some of the challenges, appropriate dress would include trousers and flat shoes.

**Please bring your own packed lunch.** We should be back in time for the end of the school day at around 3.50pm subject to traffic.

If you have any questions please do not hesitate to contact me.
