Dear Parent/Carer,

National 4/5 Geography Fieldwork

S4 pupils will shortly be undertaking an AVU and Assignment as part of their National 4/5 course in Geography. In order to prepare them fully for this we intend to do some fieldwork on the River Tyne, at Haddington and at Tynninghame.

We are planning a morning's fieldwork on either 23rd or 30th September, depending on which class a student is in. We will depart after Registration and return in time for lunch. Students will be transported by minibus, so there is a cost implication and we need to charge students £2 for the hire of the minibus. Students must come to school prepared for fieldwork, with warm and waterproof clothing and appropriate footwear; ideally wellington boots. They are not required to wear school uniform, **but students who go on 23rd September MUST bring school uniform to wear for the whole school photo which is scheduled for that afternoon.** They should bring water and a snack with them too.

If you would like your child to take part in the fieldwork, I would ask you to return the slip below, together with cash or a cheque for £2.00 (made payable to 'East Lothian Council') by Monday 14th September at the latest.

If you have any concerns about the payment or would like to seek financial assistance, please contact Mr Jones at the school.

Yours sincerely,

pp

Alternative for use in emergency

In the event of an emergency, it is important that the person in charge of the group has the necessary information about any medical condition which could affect the participation or treatment of your child/ward. All information requested will be treated in strict confidence, and will not necessarily prejudice the inclusion of your child in the activity. It is in the interests of your child that full and accurate information be given and that you notify us of any change in circumstances which might affect participation.

Has your child/ward had recent surgery or been in contact with any infectious or contagious disease?

Has your child/ward any known allergy (eg to penicillin)?

If your child/ward is currently undergoing treatment by a Doctor please give details including medication?

Has your child/ward received a tetanus injection within the last 10 years?

Has your child/ward any medical condition which a doctor should know about before carrying out treatment (eg Asthma)

Is there any activity in which your child may not participate?

Is there any additional information we should have? (Travel sickness, bedwetting, diet, diabetes, etc?)
