Dear Parent/Carer

### **New National Qualifications Information Evening**

As the parent of a child in S1, S2 or S3, you are warmly invited to an information evening on the new National Qualifications at North Berwick High School. The meeting will be held in the School Hall on **Tuesday 10 March from 7.00 until 8.00 pm.**

The Scottish Government is keen for parents to be well-informed about the changes to examinations in the Scottish curriculum and, to that end, has asked each secondary school in Scotland to provide information to parents of pupils in the upper primary and lower secondary years. Primary and lower secondary pupils are already developing skills and building knowledge that will stand them in good stead when it comes to studying at qualification level. This session aims to provide you with an understanding of the new qualifications and how they differ from those which you may have taken at school.

I do hope that you will be able to attend, and that you will find the session useful and informative. I look forward to meeting you on 10 March.

Yours sincerely

Lauren Rodger  
Head Teacher
