26 January 2016

Dear Parent/Carer

S2 into S3 ARRANGEMENTS 2016

Your son/daughter will shortly be moving into the final year of the broad general education and now has the opportunity to make some choices regarding subjects studied. All S3 pupils will study the core subjects of: English, maths, PE, PSE and RME. Pupils will choose to follow a further eight subjects, at least one from each of the following curriculum areas: expressive arts, languages, sciences, social studies, technology. This ensures that pupils continue to follow a broad general education, while also having an opportunity for some personalisation and choice in their curriculum. More details can be found in the Choices Booklet will you will find on the school website.

Below are details of the timetable of arrangements. Your child will be supported throughout by subject teachers and Guidance staff and I would like to take this opportunity to invite parental participation at all stages of this process.

Monday 1 February	Choices Booklet on website
From week commencing Monday 1 February	Individual course choice interviews with Guidance staff
by Friday 11 March	Pupil Choice Sheet signed and returned to school

Please do not hesitate to contact the appropriate House Link Depute or Guidance teacher concerning these arrangements should you have any queries.

Yours sincerely

Lauren Rodger
Head Teacher
