19 January 2015

Dear Parent/Carer

S5 into S6 TRANSITION ARRANGEMENTS 2015

Your son/daughter will shortly be making some very important decisions about his/her future.

For those pupils who choose to return to school, below are details of the arrangements for transition from S5 to S6. Please note, it is our expectation that S6 pupils will complete all courses which they embark upon so they should make their choices with care. Can I also take this opportunity to invite parental participation at all stages of making these important choices and decisions.

Wednesday 11 February	Senior Phase Courses Booklet issued to S5 pupils, at assembly
Monday 23 February until Friday 20 March	Individual interviews with Guidance staff
Thursday 5 March	Parents' Consultation Evening
By Tuesday 24 March	Final Course Choice Form signed and returned to school and choices entered into online system
Tuesday 28 April	SQA examination leave starts
June	Parents' Information Evening (Date to be confirmed)
August	Senior Staff available for course adjustments following SQA examination results.
Wednesday 19 August	Pupils return to school. Final subject choice adjustments

Please do not hesitate to contact the appropriate House Link Depute or Guidance teacher concerning these transition arrangements should you have any queries.

Yours sincerely

Lauren Rodger
Head Teacher
