Dear Parent/ Carer

There will be an S6 Parents' Information Evening on Tuesday 16 June from 7.00 until 8.00 pm.

During this session, the North Berwick High School vision for S6 will be shared and the many opportunities for S6 pupils to add value to their education will be outlined.

It is important that we work together as partners to ensure S6 is the very best learning experience it can be, therefore your attendance at this event would be hugely appreciated. Please indicate your availability by completing the tear-off slip below and returning it to school or by emailing mmoore@northberwickhigh.elcschool.org.uk to confirm attendance.

Kind regards

M. Moore
