Dear Parent/ Carer

I am delighted to announce the appointment of a youth rugby development officer to the community of North Berwick. The position is with North Berwick High School (School of Rugby) and North Berwick Rugby Football Club (NBRFC), working in partnership with Scottish Rugby. Jonathan Matthews was the successful candidate after a formal interview and observed training session. He will be responsible for delivering our vision of developing a thriving youth programme for boys and girls (mini to U18 Colts) rugby, ensuring that North Berwick Youth Rugby is aligned, productive and sustainable within the community.

We hope you will get the chance to meet Jonathan on the touch lines soon and we are looking forward to welcoming him to North Berwick.

Yours faithfully

Alan Macdonald
