

S3 Learning Review February 2015

For each of your S3 subjects, your teacher will indicate the level at which you would be likely to perform in S4 if you continue to make progress at your current rate.

Once you and your teachers have completed all the boxes, please show this sheet to your parent/carer and discuss it with them. It will help you to make your course choices for S4. You must then return this sheet to your guidance teacher by **Thursday 12 February 2015**.
