

North Berwick High School – Conference winners 2022/23

On Wednesday, North Berwick High School's five Rugby squads, 140 students representing the High School's School of Rugby, were presented with the inspiresport East Schools Conference A champions trophy. The players all received commemorative Champions Pins.

At the same time, the U16 team were presented with the National Shield trophy and their winners' medals and Cameron Fyfe received the Player of the Match award for the final. Apologies to the U15 team as their photo did not transfer unfortunately.

We were delighted to be joined by NBHS former pupils Cammy Hutchison and Rory Darge to make the presentation and the players were very excited to meet them. A large number of autographs signed and selfies taken.

The team captains are pictured with Cammy Hutchison, Rory Darge and Jacquie Stone representing Scottish Rugby.

The awards are a result of the hard work that each player has put in over the season, and the squads look forward to the next challenge as they move up to the inspiresport National 2 East/Caledonia Schools Conference next season.

A special thanks to all the coaches, parents and volunteers who make this such a successful club for our young people and congratulations on your achievements. We look forward to embracing the opportunities ahead and helping rugby continue to flourish in the community. We are also excited about the growth in girls rugby and look forward to inducting them into the school of rugby next term.
