Learner Friendly Improvement Plan 2018-19

Priority 1- Developing Outdoor learning across the school
including improving the playground

Priority 2- Raising attainment, particularly in spelling and numeracy

Priority 3- Whole school working through the Rights Respecting
Schools Programme and linking it to our new values

**Learners have the right to a good quality education
(Article 28, UNCRC)**

We will continue to improve our literacy and numeracy skills.

Our school values will be seen in action each day.

Staff are going to continue to improve learning and teaching, providing high quality experiences.

We will ensure that learners are listened to and begin to lead their learning.
