

## SONG 2: IT'S SNOWING

It's snowing  
See it tumbling in the breeze  
It's snowing  
Now it's settling on the trees  
We'll hang out wreaths of green holly  
Dance and be jolly Under the mistletoe  
Children, wide-eyed with wonder  
Round the Christmas tree

It's snowing  
Come and see how the snowflakes fall  
It's snowing  
Merry Christmas to one and all  
We love that time in December  
When we remember  
That stable in Bethlehem  
And we wish you a merry Christmas  
Yes, we wish you a merry Christmas  
Yes, we wish you a merry Christmas everyone!

## SONG 7: CHILD IN A MANGER

Child in a manger born,  
Lies in a cattle stall.  
Safely he's sleeping,  
Mary is keeping  
close beside her baby so small.

Angels watch over him.  
Softly their praises sing.  
Voices ascending,  
Joy never-ending,  
Glory be to Jesus the King!

*And God in the heavens above,  
Looks down with a heart full of love.*

Leaving their flocks behind,  
Shepherds have come to find  
Jesus the Saviour,  
Lord of the Ages,  
Here within the stable tonight.

*And God in the heavens above,  
Looks down with a heart full of love*

Wise men from far and wide  
Kneel at the baby's side.  
Gazing in wonder,  
Praising the Son who  
Came to earth to lay down his life.

*And God in the heavens above,  
Looks down with a heart full of love*

Child in a manger born,  
I want to know you more,  
Know you are near me,  
Love you more dearly,  
Jesus, my Lord.

## SONG 5: A GHOST OF A CHANCE!

He was like you, Ebenezer  
Thought of money first and last  
Now these chains are wrapped around him,  
And these shackles bind him fast  
Every link within his chain was forged by selfishness and greed  
And it grew each time he turned his back on poverty and need  
In his life, he made this burden that he'll wear eternally  
Yard by yard, he wrapped it him me, now he roams nocturnally  
To warn you, Ebenezer, by this ghostly contretemps  
That your chain is twice as heavy and several times as long!

You will have three ghostly visitors, each one sent by me  
All for you, Scrooge, all for you!  
Christmas Past and Christmas Present  
And Christmas Yet To Be  
All for you, Scrooge, all for you!  
Unless you listen carefully to what they have to say  
For all your greed and cruelty, you're going to have to pay  
With chains and metal shackles, they're already on their way  
All for you, Scrooge, all for you!

You haven't got a ghost of a chance!  
You haven't got a ghost of a chance!  
We're going to take you on a far from merry song and dance  
You haven't got a ghost of a chance!

You haven't got a ghost of a chance!  
You haven't got a ghost of a chance!  
You'll never have a bosom pal, a friend, a mate, a chum  
Who'll bother if you're sad or feeling miserable and glum  
Unless we plant a big boot on your ghostly liffle bum  
No, you haven't got a ghost of a chance  
You haven't got a ghost of a chance!

## **SONG 6: THE FEZZIWIG ROCK & ROLL!**

We've got some tambourines and a flute or two  
A fiddle and a drum, and a tin kazoo!  
Get on that piano, set the keyboard hummin'  
'Geetars' aren't around, or we'd all be strummin'  
Dancing to the beat does wonders for your soul  
So let's do the Fezziwig Rock and Roll!

Come on everybody, listen what I have to say  
I said come on everybody, gonna have a holiday  
Come on everybody, let's dance on Christmas Day!

Do the Fezziwig Rock and Roll!  
Yeah, the Fezziwig Rock and Roll!  
Forget your self control  
And do the Fezziwig Rock and Roll!  
Everybody's jiggin', Fezziwiggin' to the Rock and Roll!

Come on everybody, come and rock and roll with me  
I said come on everybody, join the festive jamboree  
Y'can even see the Christmas fairy rockin' on the  
Christmas Tree!

Do the Fezziwig Rock and Roll!  
Yeah, the Fezziwig Rock and Roll!  
Let rhythm be your goal  
Just do the Fezziwig Rock and Roll!  
Everybody's jiggin', Fezziwiggin' to the Rock and Roll!

Come on everybody, let your inhibitions go!  
Rock around the holly, underneath the mistletoe  
Even Santa's rocking, listen to him go "Ho ho ho!"

Do the Fezziwig Rock and Roll!  
Yeah, the Fezziwig Rock and Roll!  
It's very big Pole to Pole  
Is the Fezziwig Rock and Roll!  
Everybody's jiggin', Fezziwiggin' to the Rock and...  
Everybody's jiggin', Fezziwiggin' to the Rock and...  
Everybody's jiggin', Fezziwiggin' to the Rock and Roll!

## **SONG 3: CHARITY!**

Charily begins at home  
And he's not going out  
To feed a common scoundrel  
To clothe some sullen lout!  
"The milk of human kindness?"  
No-one's shown him any!  
He'll do as he would be done by  
And not give them a penny!

Charity begins at home  
And that is where his heart is  
Not dancing round the piano  
Or drinking ale at parties  
A penny given to them  
Is a penny less for him  
Let idle men go out and work  
He'll give no charity!  
Let idle men go out and work  
He'll give no charity!

## **SONG 8: SCROOGE, SCROOGE**

Scrooge, Scrooge, Can't you hear?  
Scrooge, Scrooge, Someone's near  
Someone who will show you what's wrong and what is right  
Someone in the darkness and silence of the night  
There's no need to scream and shout about it  
You'll go, no question or no doubt about it  
Soon you'll be beside yourself with terror and with fright

Scrooge, Scrooge, Can't you hear?  
Scrooge, Scrooge, Someone's near  
Spirits who will take you to a time you've long forgot  
Show you all your wickedness, of which there's quite a lot  
And so, we will make you contemplate it  
Although you are really going to hate it  
Soon you'll see a lot of things we think you'd rather not!

Wake up, Scrooge, wake up; wake up, Scrooge!  
Wake up, Scrooge, wake up; wake up, Scrooge!  
Wake up, Scrooge, wake up; wake up, Scrooge!  
Wake up, Scrooge, wake up; wake up, Scrooge!

## **SONG 11: A GHOST OF A CHANCE!**

My dear friends, We'd like to share with you  
Some extremely splendid news  
Never fear, friends, never fear!  
We are overjoyed to tell you all he's changed his former views  
Never fear, friends, never fear!  
He was greedy, mean and miserly and cruel every day  
So, he'd like to take this chance to make this winter holiday  
A time for peace and happiness, in every single way  
Christmas cheer, friends, Christmas cheer!

He didn't have a ghost of a chance!  
He didn't have a ghost of a chance!  
But now he's quite a different man, we see it at a glance  
He didn't have a ghost of a chance!

He didn't have a ghost of a chance!  
He didn't have a ghost of a chance!  
It's plain to see to see his change of heart  
And that you really care  
So thank you for your kindness and we offer up a prayer  
That he'll never need another ghost to kick your derriere  
No, he didn't have a ghost of a chance!  
He didn't have a ghost of a chance!
