### Health & Safety

We are still following strict guidelines to keep our pupils and staff safe in school.

Please support us to keep our school family safe by:

- Observing 2 metre distancing from other adults when in the school grounds
  - Phone or email the school office in the first instance
- IF you have to enter our building please wear a face covering
  - Do not allow children to bring toys in from home
    - PE kits to be worn to school on PE days

Please do not hesitate to contact us if you have any queries. We are here to support and help.

### Nurturing lunches in the classroom

Our children have nurturing lunches in their classrooms with their teachers at **11:45am** and head out to the playground at **12:15pm until 1:00pm**. For upper school classes, on occasion, after P.E, Outdoor Learning, this time might vary slightly. If you have any questions, please contact your child's class teacher in the first instance via the school office.
