

# GET S.E.T

science. engineering. technology

Thursday 24 and Friday 25 July 2008

» Currently in S4 and going into S5 this summer?

» Come to GET S.E.T!

## What is GET S.E.T?

It's an exciting two day event at Heriot-Watt University this summer which gives you the chance to:

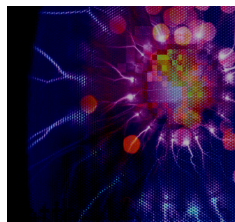

- find out what it's like to be a student in a real university
- learn about exciting courses and careers in science, engineering and technology
- increase your confidence in a relaxed and friendly environment
- make friends with people from other schools in your area
- consider whether higher education could be right for you

It's free, it's fun, and it's life-changing!

To find out more, complete the tear-off slip below and send it to:

Fiona Watt, Wider Access Assistant, Recruitment and Admissions Office, Heriot-Watt University, Edinburgh, EH14 4AS

Alternatively, visit [www.hw.ac.uk/getset](http://www.hw.ac.uk/getset) to complete and return the form online
