TO ALL PARENTS AND GUARDIANS OF STUDENTS IN S4

PARENTS' INFORMATION EVENING - TUESDAY 1 September - 7.00 PM
SCHOOL ASSEMBLY HALL

Dear Parent/Guardian

This year for young people is an enormously important time for them. In many cases, their future is shaped by the results they achieve.

Experience tells that young people need a great deal of support and guidance in this difficult year and there is no doubt that when such support is given by both school and home, success is much more likely.

To that end, I would like to invite you to an information evening on Tuesday 1 September. The aims of the evening are:

- To inform students of the input required to maximise the possibility of success in the SQA exams
- To give students strategies to help achieve this success
- To inform parents of the effect their support will have on results
- To give parents strategies to help their youngsters
- To inform parents about the support available to them from the Careers Service

I hope you and your daughter/son will be able to come along to the meeting. The presentation should last approximately one hour after which there will be time for questions.

Yours faithfully

Gavin Clark
Head Teacher
