Dear Parent/Guardian

PARENTS' INFORMATION EVENING FOR S5/6 STUDENTS MONDAY 31 AUGUST - 7.00 PM - SCHOOL ASSEMBLY HALL

This year for young people is an enormously important time for them. In many cases, their future is shaped by the results they achieve.

Experience tells us that young people need a great deal of support and guidance in this challenging year and there is no doubt that when such support is given by both school and home, success is much more likely.

To that end, I would like to invite you to an information evening on **Monday 31 August**:

- to inform students of the input required to maximise the possibility of success in the SQA exams
- to give students strategies to help achieve this success
- to inform parents of the effect their support will have on results
- to give parents strategies to help their youngsters and information on the support available in school and from our Careers Adviser
- to give information on UCAS and applying to Higher Education

I hope you and your daughter/son will be able to come along to the meeting. Our Careers Adviser, Gill Pert and Niall Bradley from the University of Edinburgh will give an input to the presentation which should last approximately one hour after which there will be time for questions and refreshments.

Please return the tear-off slip by 24 August if you are able to attend.

Yours faithfully

Gavin Clark
