

JOIN THE SPIE TEAM APPRENTICESHIPS

AVAILABLE NOW

SPIE Scotshield Fire and Security is a technical engineering solutions provider for the built environment.

We provide Fire & Security solutions from initial design through installation, commissioning and the long-term maintenance.

In order to continue our growth, we are looking for the next generation of talented individuals to undertake the following apprenticeships:

→ **Fire and Security**

The successful applicants will become an apprentice working towards a level 3 SQA qualification. The role will be varied and over the 3 year period the successful candidate will rotate through all departments with the fire and security division including our projects, service, design and estimating team to ensure the candidate receives the required skill-set to succeed.

If you are keen to learn, professional and able to work flexibly with different teams of people, this role is for you!

In return, you will gain an apprenticeship, start on a career path that we will support you with and join a friendly, professional and hard working team.

If you would like to obtain more information regarding an apprenticeship with us, please contact a member of our HR Team via email to recruitment.scotland@spie.com
