Using SCHOLAR and e-Sgoil for revision

Scotland's hub online for online learning and teaching, e-Sgoil, is now accepting student registrations for its programme of real-time interactive Study Support Webinars. Learners can register for webinars using their GLOW login details via <https://e-sgoil.com/study-support/>. The Higher English webinars take place on Thursday from 5-6pm.

We are also asking all Higher learners to use SCHOLAR as part of their revision, particularly for RUAЕ. Learners can login with their GLOW details via <https://scholar.hw.ac.uk/> and class teachers will be monitoring progress with the course.

Yours faithfully,

R MacLean
