- **KARAOKE/X FACTOR**

Shirley had spoken with Ranald Watt re his karaoke/X factor idea....

Ranald very kindly offered the hire of a friend's equipment/services, covering the costs through his business and possibly business contacts to maximise funds raised.

Ranald's further suggestions for catering ideas/'semi- celebrity' judges/fantastic prizes/courtesy buses/marquee etc would be difficult for H2H to pursue/materialise, as these would be possible only through Ranald's contacts and influence.

Shirley suggested if Ranald and Gwen were willing to project manage the event H2H/parent council could provide any help/support they required.

As Gwen felt Ranald wouldn't have the free time to commit it was decided H2H should manage the event and scale down ideas/ suggestions to suit.
