

Brunton Performing Arts Network – Now Accepting New Members!

Unlock your creativity and join The Brunton's Performing Arts Network.

We've got workshops happening across East Lothian in theatre, dance, musical theatre and more, for young people aged 5 - 18.

We keep costs low and welcome everyone!

Taking part in creative activities is fun and helps build confidence, fuels your imagination and develops skills that are useful in all areas of life. As well as developing a range of acting and performance skills, you will meet new people, build confidence, and above all, have fun!

But don't just take our word for it, here's what our participants have to say:
