

Dear Parents and Guardians,

As we approach the start of the October Holidays, I wanted to take a moment to thank you all for your patience and support during these uncertain times. Term 1 has been a little different this year but it has been a pleasure to welcome back our returning families and welcome all our new families who have joined Sanderson's Wynd Nursery this term.

I would like to thank everyone who participated in our Sanderson's Wynd Nursery Questionnaire. Following on from your feedback we are going to make some additional changes on how we keep you involved in your child's learning.

Going forward we will be using the notice board at the Early Years Centre entrance as a 'Parent Information Board' which will have a copy of all communication going forward. We have also increased our Twitter presence so if you do not already follow us on Twitter, head over and have a look at our page <https://twitter.com/SandersonsWynd>. In addition we will be starting our monthly phone calls starting in November. Our questionnaire had mixed reviews in regards to these phone calls so if you would like to opt out of them please email me at dsackree@sandersonswynd.elcschool.org.uk. We will also be sending out Nursery Reports the week beginning the 16th November with an overview of how your child has settled into Sanderson's Wynd Nursery and a snap shot of some of the learning experiences your child has experienced during Term 1.

In regards to our October review of the setting and the days we can offer, we are unable to add the alternate Friday morning at this time. In addition with a rise in COVID-19 cases we have had to make some additional changes to our outdoor area ensuring that every bubble has their own outdoor area. This is something that we will continue to review as the Scottish Government and Local Authority Guidance changes.

During this time as we are unable to invite you into the setting to see the nursery rooms and outdoor spaces, we are in the process of putting together a short video which will introduce each member of staff the room they work in and photographs of each room's indoor and outdoor environment.

If you have any questions please do not hesitate to get in touch on 01875610275 alternatively email me direct at dsackree@sandersonswynd.elcschool.org.uk.

Kind Regards

Danielle Sackree

Early Years Centre Manager
