

Equity and Excellence Officer - Sanderson's Wynd

Would you like to know different ways you can support your child's learning at home?

Do you need support with your child's routines and behaviour?

Would you like advice on bedtimes and sleeping?

Are you struggling with the emotional and physical demands of being a parent and would like to chat?

Would you like to be made aware of different services around the area and have the help to build confidence to access services in the community?

This is Charlotte Jordan, our EEO.

Charlotte joined the Early Learning and Childcare team in August 2020. Before that, Charlotte started her career as a Primary school teacher in East Lothian, which she continued for 8 years before leaving to become a Family Support Worker for 2 years.

It has been fantastic for Charlotte to get to know the children in the nursery and is keen to work with families as a whole.

Please get in touch with Charlotte.
