Lockdown Update – 2

Dear Parents/Carers,

We hope that you have managed to enjoy some adventures in the snowy weather the last couple of days! Here is our second lockdown update/information letter. If you would like anything specific included in future letters, please let us know!

Survey

The link has been sent out for the Digital Learning Survey. Thank you to all of you who have filled this in already. The feedback received so far is really useful and will help us to ensure that our digital learning offer across the school meets the needs of staff, learners and parents. I will feedback the findings of the survey in a future update. If you have any specific comments regarding your child's Google Classroom, it would be helpful, even if you do not wish to provide a name, that you provide your child's class so we can look into things further.

Google Classroom

We have had good engagement again this week so thank you for facilitating this at home. Please remember to contact us through the school office if you are having any technical difficulties or difficulty understanding any of the tasks. There is also the option of a task mat being sent to you with year stage specific learning experiences on it, if you are perhaps sharing devices between your children or have limited access to a device.

Social Bite Packed Lunches

Social Bite have been providing us with free packed lunches that are available for the local community. We are putting these on a table at the front of the school. Please feel free to come and help yourself should you wish to make use of the packed lunches.

Financial Assistance

January can be a stressful month at the best of times, especially after the pressures of Christmas. This last year has increased the financial pressures that families are facing. If you need support to access any available financial assistance then please contact a member of the Senior Leadership Team in school and we can point you in the right direction. Alternatively, information can be accessed via East Lothian Council's website via the link below. Please do not worry on your own. We are here to help and support if you need us.

www.eastlothian.gov.uk/downloads/13340/financial_support_during_covid-19

Continue to stay safe, be kind to yourself and others and contact us if you need any support or help.

Love and Best Wishes,

Lynsey Blair and the Sanderson's Wynd Staff Team
