Dear Parents/Carer,

I wanted to write to you to let you know about an exciting learning opportunity we have planned for our P7's this year!

Last year we successfully ran an outdoor learning week, the Parent Council fully funded all our resources and due to these being re-usable we are able to run this again at no additional cost to parents!

We intend to use the same format as last year which is as follows:

Mrs Misselbrook, who is a trained forest schools teacher, has come up with a very exciting outdoor learning week for the P7 pupils, this will all take place within the school grounds and within school time.

The P7 pupils will engage in small groups (just like camp) in a variety of outdoor tasks including setting up camp for the day, survival skills, outdoor cooking, problem solving and map reading.

The outdoor learning week will take place week beginning 30<sup>th</sup> May and will continue through to the Thursday, the Friday being the national holiday for the Queen's Jubilee. We will be outside in all weathers so please ensure your child is prepared for this (sun cream, sun hat, water bottle, waterproof!). Children should bring a packed lunch or can order a school lunch and they can come wearing comfortable clothes suitable for the outdoors.

We hope they will enjoy all the events we have planned and we will keep you fully updated with our adventures on twitter!

If you have any questions please don't hesitate to get in touch!

Thanks,

Jo Burton
