

As May comes to an end I think we are all delighted to be seeing a return of the nicer weather! It gives us the opportunity to use our school grounds and enjoy the many outdoor spaces we have both for learning and play! We try to ensure that our children get outdoors as much as possible so please ensure your child is prepared for the warmer weather, this may include packing a sunhat, sun-cream or making sure they have their water bottle in school with them!

The summer term also encourages more people to walk to school making our playground busier both in the morning and at pick up times. Please can we take the opportunity to remind you that any bikes and scooters should be left in the bike shed and not ridden in the playground before and after school, dogs should not be brought into the school grounds and a no time should adults or children be bringing electric scooters into the school grounds. Thank you for your support in making sure everyone in our playground is kept safe.

The next month is a busy one and we look forward to seeing you in school and in the playground!

Help your Child Learn Words

We are continuing our language focus across school this term. We are really enjoying the vocabulary games we have been playing in our classrooms. Below is one you could try at home:

Don't say it!

Cut out the words below or think of your own words. They might be related to what your child has been learning at school or any words that they are familiar with. Place all the words in a 'hat'. Each person takes a turn at taking out words from the hat. The challenge is to describe the word without using the word at all.

hill	trolley	graph	desert
dinosaur	fly swat	spaceship	cornflakes
mountain	biscuit	storm	flood
tree	umbrella	bee	baby
geography	daisy	crocodile	cinema
planets	purse	moon	present
spider	earthquake	tiger	America

HUB Coffee Morning

Wonderful to see Hub families come together again at our recent coffee morning. The children and staff baked delicious treats in food technology and were delighted to share these with our visitors. Great to see so many attending and we look forward to the next Hub Coffee morning on 16th June 10:30-11:30.

East Lothian Athletics Event

Miss Imrie worked hard with Primary 6 and Primary 7 to select a team for the large schools Athletics event where they would compete in a variety of track and field events against all other schools in East Lothian. On Thursday 18th May Mrs Burton took a team of 21 children to compete in events such as 80m sprint, 600m run, relay race, long jump, tug of war and cricket ball throw! All our athletes trained hard, sometimes using their lunch times to practise their events, and on the day they showed amazing determination and sportsmanship both in their own events and supporting their teammates! We were so very proud of all of them and how they represented our school!

Parent Council

Thank you to everyone who donated to our recent Foodbank Appeal – we are delighted to, once again support such a worthwhile and in demand service in the community.

We were delighted to donate 145kg of food! This is the equivalent of 347 meals! This was taken up to the Food Bank on Monday 29th May (thank you Mrs Johnstone for driving it up!) and a small group of children once again got to see what happens to our donations once they get to the Foodbank! They had great fun helping to weigh in and unpack the food we had donated!

The Parent Council are planning to run a family event on 17th June – Mighty Mile – more details will follow!

Well Done Sophie!

You might have spotted this on our recent twitter feed but we are so proud of Sophie in P6 who won 3 medals at her recent athletics competition! Sophie has been training hard and we were delighted when she brought her medals and her specialised running frame in to show us! Well done Sophie!

Dates for your Diary

1st June – P1-3 Sports Day 9:30-10:45am
-P4-7 Sports Day 1:45-3:00pm

5th – 8th June – P7 Outdoor Activities Week
