

ASN Provision Open Day

28th April 2018

Musselburgh Lagoons

11am to 1.30pm or 2pm to 4pm

Families, living in East Lothian, are invited to join us for a day of water and land based activities. This marks the launch of Venturing Out's 2019 ASN Adventurous Activities Provision.

The event is open to East Lothian families whose children have an additional support need that prevents access to mainstream activity.
