Parent/ Carer Update 30th October

Dear Parents/ Carers,

Building Resilience

This morning our Primary 7 pupils and Miss Alongi led us in assembly where classes shared what they had learnt about being resilient and resilient role models. It was a lovely way to celebrate learning across the school and come together. Head over to @stmartinsrcps on Twitter to see what they had to say.

Head Teacher Target

The Head Teacher target for pupils next week is to 'Be Resilient'. The children have all been able to identify resilient role models with examples ranging from Elsa in frozen to Charles Darwin. Their challenge for next week is to take what they have learnt and use it in their lives.

Christmas Holiday Food Support

A reminder to families that if you think you could benefit from some support with providing food over the Christmas holidays or to prepare a special meal on Christmas Day then please let us know by completing the following short survey.

<https://forms.gle/QRd7i8Fu8cmrm3Gv9>

Playground Procedures and Protocols

As restrictions continue to tighten I would just like to remind all families of the procedures and protocols in place within the playground to keep all of us safe at drop off and pick up times.

East Lothian Council

*Children where possible should access the playground independently. Lining up and leaving via their own designated door.

*Parents where entering should access and exit the playground efficiently and ensure they keep 2m distance from other households.

*Parents should wear face coverings where medically able.

*Teachers should not be approached by any adults in the playground and instead I would ask that they are contacted via phone or email initially.

I know that it continues to be a challenging time and I would like to thank you for your support in adhering to the arrangements that have been put in place. In doing this it supports us to ensure the safety of our children, families and staff.

Wishing everyone a safe and relaxing weekend ahead.

Kind Regards,
Mrs Davies and all at St Martin's Primary
