Parent/ Carer Update 4th November

Dear Parents/ Carers,

Evelyn Sloan

It is with a heavy heart that I write to inform you that Evelyn Sloan, a former Head Teacher at St Martin's, has sadly passed away.

Evelyn was a class teacher at St Martin's before becoming Head Teacher working in the school for 31 years at the time of her retirement. I've heard many people speak fondly of Evelyn over the years and her down to earth character that built positive relationships with the children, staff and families around her. A woman with a clear passion for the community recognising every child as unique and special.

Our thoughts and prayers go out to Evelyn's family at this time and her memory will live on within the walls and community of St Martin's.

Kind Regards,

Mrs Davies and all at St Martin's RC Primary

East Lothian
Council
