Parent/ Carer Update 19th March

Dear Parents/ Carers,

It has been fantastic to have all of our children back this week and thank you to all of you for helping make it such a smooth transition by adhering to the procedures and protocols that we have in place. It really does feel like we have never been away! The focus this week has been on settling the children back into school life with classes revisiting their charters and setting their expectations for the term ahead.

In assembly today we thought about one of our school values – **pride** and how this can help us to meet our school aim of being 'Ready'. We discussed the importance of being proud of the things we can do no matter how small, celebrating our successes and always trying our best. Sometimes it can be easy to forget the things we are good at if we compare ourselves to others too much.

Here is what some of our learners are particularly proud of this week:

Primary 1 – Lily-Mae is proud of her maths work this week and Kobin is proud of being back in school and playing with his friends!

Primary 2/3 – Ben has been proud of how all his friends have been playing football together this week.

Primary 3/4 – Layla has been making people happy in P3/4 this week and Frankie has mastered his times tables!

Primary 4 – Lots of pride in Numeracy for Primary 4. Eddy has been working hard with numbers this week whilst Heather has been focusing of measuring. Emilia has been proud of using higher numbers in Maths.

Primary 5/6 – Annie created a beautiful piece of Spring Art this week and Isla has shown persistence in working on her times tables. Gabriel is proud of his division work.

East Lothian Council

Primary 6 – Primary 6 have set up new groups this week and are really proud of how well they have been sharing. Ellis also got the super achiever award and has been spreading kindness around her class.

Primary 7 – Ben is proud of how he and his classmates have coped in coming back to school and getting on with their work.

The Head Teacher target for next week is to Be Proud.

Wishing you all a safe and relaxing weekend ahead,

Mrs Davies and all at St Martin's Primary
