The Group Plan

Today in assembly we spoke about 'The Group Plan'. Children learnt the difference between following their *own plan* versus the *group plan*. We spoke about how when one person follows their own plan, the group can't accomplish their goal. When they worked together and followed the group plan everyone felt good and they experienced success.

Anytime we do something together we are following a group plan. At home a group plan might include cooking and eating dinner or going food shopping. You can point out to the times when you are all sharing one plan. For example when getting ready to go to school. "I put on my shoes and coat. You put on your shoes and coat too!" "That makes me feel happy. Now we're ready to go."

P3/4 Assembly

P3/4 class assembly will be on Friday 8th April at 9:30am. A google meet code will be sent out in advance for parents/ carers to join.

Wishing you all a safe and happy weekend ahead,

Mrs Davies and all at St Martin's Primary
