East Lothian Council

This week at assembly we considered our third school aim **safe** and how this sits alongside our school value of **kindness**. We considered what kindness means to us and the different ways that we can show kindness to others. In assembly we identified some 'colourful words' to help us along the way: kind, helpful, sharing, honesty, joy, patient and forgive. When put into action these words can brighten up everyone's day.

The Head Teacher target for next week is to Be Kind.

Wishing you all a safe and relaxing weekend ahead,

Mrs Davies and all at St Martin's Primary
