Walk to School Week

Next week we will be participating in Walk to School Week. Our Junior Road Safety Officers have been sharing information with all of the classes and encouraging children where possible to choose an active means of travel to school next week.

Procedures and Protocols

As restrictions ease a reminder to all to please continue to follow the procedures and protocols in place to keep our children, families and staff safe. It has been noted that a number of children have been coming to school with items from home such as fidget toys, 'poppits' and additional bags. We would ask that only essential items: water bottle, packed lunch and medication are brought with children to school unless separately agreed in exceptional circumstances. Thank you for your continued support on this matter.

Wishing you all a safe and relaxing weekend ahead,

Mrs Davies and all at St Martin's Primary
