A Message from Mrs Carlyle!

Mrs Carlyle has asked me to pass on her heartfelt thanks for all of your kindness, well wishes and gestures last week. She has settled in well to her new role although still finding it a little strange not seeing all of the children's faces every day!

Flu Vaccination 'Mop Up'

NHS vaccination team advise that "mop-up" clinics will operate across NHS Lothian area for children who have not had their Flu vaccination in school.

If any child has missed this vaccination in school, then parents can contact the Community vaccination team on 0131 446 4082 to arrange a clinic appointment.

Christmas Family Support

Christmas is an exciting and joyful time for many however we also know that it can be a time of added financial pressure. We have sourced supports for food, clothing and gifts throughout the

festive period in the hope that we can ease a little bit of the pressure and allow families time to focus on the joy. If we can help in any way then please complete the following short form <https://forms.gle/8jVfPvY4XHwDHCC8> .

Wishing everyone a happy and safe weekend ahead.
