

Parent/ Carer Update 10th December 21

Dear Parents/ Carers,

Building Resilience – Talk Things Over Share

Today at assembly each class had an opportunity to share their learning from this term's Building Resilience unit – Talk Things Over.

In this unit the children learned:

- *At times we all feel worried.
- *If worries are not dealt with they can sometimes get out of control.
- *If you are struggling it is important to ask for help.

Head over to @stmartinsrcps to see some examples of the learning activities that have been taking place across the school.

Free School Lunches

From January 2022 free school lunches will be extended to include all children from Primary 1 to Primary 5. This is for all children regardless of family's circumstances.

Christmas Parties & Fun

On Thursday 16th December all classes will have a Christmas Party and fun day in school. Due to current restrictions we're not able to have all class together but they will all have time in the hall for dancing and games before enjoying a treat and Christmas activities in their classroom. Children are invited to come to school in casual, Christmas or party clothes on this day.

Nativity

This year we will again be having a virtual Nativity that our children have been hard at work preparing for this term. We will be sharing it with the whole school at assembly on Friday 17th December at

9:30am and for any parents/ carers who would like to join via the following link:

<https://meet.google.com/szc-aowu-wui> .

The video will also be shared on P1, 2 and 3/4's google classroom for those unable to join.

Wishing everyone a happy and safe weekend ahead.

Mrs Davies and all at St Martin's
