Parent/ Carer Update 4th March

Dear Parents/ Carers,

Building Resilience Share

At this morning's assembly classes all shared the learning they had undertaken through the Building Resilience unit - 'Get Active'.

In this unit of learning the children learned:

- *Being active is not only good for the body but also the mind
- *I have a range of hobbies and interests that I enjoy doing
- *Doing anything new involves taking a risk

Head over to our Twitter page @stmartinsrcps to see some of the fantastic learning that was shared.

Updated Guidance

A reminder that as of Monday children will return to wearing school uniform and bring in their PE kit separately.

Our Healthy Snack group have been busy working away to get the Fruit Tuck trolley set up for children to be able to access at break times as of next week. There are lots of delicious options on offer for children to choose from should they wish to do so.

Mass Dates for Sacrament Classes

This Sunday there will be a P7 Enrolment Mass at 10am for those children participating in the Sacrament of Confirmation.

World Book Day

A huge thank you and congratulations to all of our Primary 7 children and Mrs Hayes for organising activities across the week to help us celebrate World Book Day. From door displays to class takeovers it has been lots of fun and a week to remember.

Wishing you all a safe and happy weekend ahead,

Mrs Davies and all at St Martin's Primary
