Parent/ Carer Update 27th May

Dear Parents/ Carers,

Class Updates

There was no assembly this morning and so instead we thought it would be nice to share some of our class's favourite learning moments this week.

Primary 1 have been very enthusiastic in literacy this week and would you believe it have learnt their last sound for the year!

Primary 2 have learnt about Vincent Van Gough and are creating their own Starry Night drawings.

Primary 3/4 are learning all about weather and have been making their own sunshines.

Primary 4/5 have been writing fantastic stories about a magical train ride! They have been enjoying reading Harry Potter as their class novel.

Primary 5 have gone to space in their writing this week! Pupils have been exploring the planets in our solar system and developing their own inter-galactic adventures.

Primary 6 have chosen an unusual tool for their artwork this week. They have been potato printing! They've had lots of fun and created beautiful pieces of unusual artwork. Who knew potatoes could be so versatile?!

Primary 7 have been developing their Primary 7 profiles to share with Ross High. They have been sharing memories and remembering their time at St Martin's.

Sacrament of Confirmation

A huge congratulations to all of our Primary 7 pupils who received the Sacrament of Confirmation with the Archbishop this week. It was a beautiful occasion and we were all so proud of how well you represented the school throughout.

Uniform Swap

In the last week of school we will have a uniform swap set up for families to access. We know that lots of children can outgrow things before they have even had them on and this way we can also do

our bit for the environment! We would be grateful for any donations of school uniform that is in good, clean, wearable condition.

School Sports

The Children will be participating in potted sports activities on Monday in their classes during PE. The Children will earn points for their house as they go around and will be supported by P6 and P7 buddies.

Wishing you all a safe and happy weekend ahead.

Mrs Davies and all at St Martin's Primary
