Parent/ Carer Update 17th June

Dear Parents/ Carers,

Building Resilience – Make a Difference Sharing Assembly

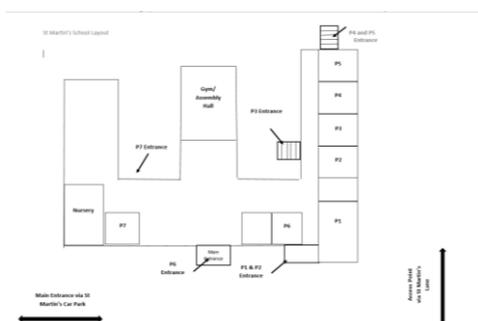

This morning in assembly the children shared their learning from the Building Resilience unit 'Make a Difference'. In the unit we learnt:

- *Things humans do have an impact on the world.
- *Children can contribute to solving problems in the world.
- *Small things can make a big difference.

There were lots of creative presentations of the children's learning from artwork to setting up their own charities to persuasive posters. To see some of the fantastic learning check out our school Twitter or Parent Council Facebook page.

Transition

As part of transition the children have been spending time in their new classrooms and getting to know their teachers ahead of August. Next week they will spend the full week in their new classroom and as part of this we would like the children to line up at their new door. They have been practicing this already with their new teacher and so are familiar with the space.

Change to note is P2 reverting back to lining up alongside Primary 1. Our current Primary 7 pupils should continue to line up as per normal.

Uniform Swap

A reminder that in the last week of school we will have a uniform swap set up for families to access. We know that lots of children can outgrow things before they have even had them on and this way we can also do our bit for the environment! We would be grateful for any donations of school uniform that is in good, clean, wearable condition.

Wishing you all a safe and happy weekend ahead.

Mrs Davies and all at St Martin's Primary
