

Parent/ Carer Update 19th August

Dear Parents/ Carers,

A warm welcome back after what we hope has been a restful summer break. It has been a fantastic week in school and I know I speak on behalf of all the staff when I say just how proud we are of our learners who have settled in so well to their new classes and routines.

In assembly this morning we re-visited our school aims and values and thought about how we can add a little magic to our learning. The children all helped me to sprinkle our St Martin's magic to help us be successful learners this year.

Parent Council Meeting

There will be a Parent Council meeting held in school at **6pm on Wednesday 31st August**. This is a great way to connect with other parents/ carers, to have your voice heard and to support the school community. All are very welcome to attend and we would encourage anyone who is able to come along.

Family Support

Fresh food will continue to be available outside of the school office on a Friday morning for families to help themselves. We are always here to help in any way that we can and understand the impact of the current cost of living on households. If you are struggling at all then please get in contact with Mrs Davies directly. All support given will remain anonymous.

Wishing you all a safe and happy weekend ahead.

Mrs Davies and all at St Martin's Primary
