

## **Parent/ Carer Update 14<sup>th</sup> October 2022**

Dear Parents/ Carers,

### Primary 5 Assembly

What a treat that was this morning! Primary 5 took us all on a learning adventure all about the Mayans, Incas and Aztecs. A very creative performance that reflected the personalities of all our learners as well as teaching us all something new. They have been working exceptionally hard this term. Well done to all!

### Family Friday

It has certainly been a busy week for us all in school however I can't think of a lovelier way to end the term have all of our families in school, sharing learning experiences with our children. There has been lots of excited chatter and smiles throughout the corridors. We are already looking forward to our next session on **Friday 9<sup>th</sup> December**.

### Bake Sale

A huge thank you to everyone who supported the bake sale yesterday. IT was so lovely to have the children and families come together and we were blown away by all of the donations of delicious baking. A special thank you to Parent Council for organising the event. The total sum raised is a fantastic £480! The money raised will go towards purchasing new reading resources within the school.
