Parent/ Carer Update 9th September 2022

Dear Parents/ Carers,

Assembly

This morning at assembly Susan Kerr came in to speak to the children in her role as one of the council's 'Young Carer Youth Workers'. The children learnt what it meant to be a young carer and about some of the good or possibly not so good parts of being one. They identified ways in which they could support young carers within their class and school. The children listened attentively throughout and asked lots of questions. Primary 6 and 7 went on to have workshops this morning that allowed them to explore the concept in more detail.

Signalong

Last session in school we achieved our Bronze Award through the Visual Support Project and this year hope to achieve Silver. As part of this development work we will be learning 1-2 signs a week at assembly. Today we learned hello and goodbye. Please head over to our Parent Council facebook page where Miss Cassidy will introduce you to these signs this week.

Christmas Family Support

The google meet form to provide support over the festive period will remain open until Monday 26th September. <https://forms.gle/HbhEAnQ4M9GrSL3T6>.

Wishing you all a safe and happy weekend ahead.

Mrs Davies and all at St Martin's Primary
