

Parent/ Carer Update 18th November 2022

Dear Parents/ Carers,

Assembly Update

Today in assembly we learnt about the second wellbeing indicator HEALTHY. The children explored the important ways in which they can keep their bodies and minds healthy and came up with lots of great ideas: eating fruit and vegetables, exercising, drinking water, sleeping and brushing our teeth. We all took part in some fun dancing to get our bodies moving this morning! The children have all been tasked with thinking about more ways they can be healthy at home and in school.

Christmas Fayre

Our Christmas Fayre will be held in school on Friday 9th December following on from our Family Friday. This is being organised by our parent council who are looking for any donations of new or good condition toys, Christmas jumpers and raffle prizes. These can be handed in to the school office.

After School Club

A letter was sent home to all families this week to gauge interest in need for after school club spaces. If you haven't handed this back in yet but would like a space then please do so as soon as possible. Children would be transported from school to attend after school club at Sanderson's Wynd Primary.

Wishing you all a safe and happy weekend ahead,

Mrs Davies and all at St Martin's Primary
