Assembly – Respected

Today in assembly we learned about the wellbeing indicator respected. We thought about what this means and how we show respect to others in our daily lives. As one of our school aims we discussed how important it is to be respectful of ourselves and others. Some examples we came up with were; saying kind things, using good manners and listening to others.

World Thinking Day

Rainbows and Brownies will be celebrating World Thinking Day on 22nd February this year. In support of this children are welcome to attend school in their club uniforms on this day.
