

Dear boys and girls,

Hopefully you've all had a chance to watch my meet the teacher video on our blog but I've also written a little letter for you, to get to know me a bit better.

I'm Miss Herkes and I've been a teacher at Stoneyhill Primary School for 4 years. I've taught Primary 1, three times! I love it - it's lots and lots of fun and we will be super busy! We will do lots of activities inside but we will use our outdoor garden and playground as much as we can too! I'm busy setting up our new classroom at the moment - it's very exciting!

My favourite things to teach at school are reading and writing! I also like to teach science experiments and do lots of arts and crafts! When I'm not at school I like to catch up with my friends, play golf and do a bit of shopping. My favourite colour is purple.

I'm so excited to see you and teach you new things,
Together we'll enjoy what each new day brings.
The school day will whizz by and before you know,
Your family will be here and back home you will go!

I look forward to seeing you in August!

From Miss Herkes
