

Our P1 Classroom

Our classroom door with our Welcome sign and Meet and Greet.

Once we get into our morning routine you will do a meet and greet with me as you enter the classroom in the morning. It's a lovely way to start our day off! Maybe you could practise these during the summer and decide what your favourite one is!

We've got a class jobs board with lots of different activities that you can help with in the classroom. We'll have things like 'Line Leader', 'Register Monitor', 'Chair Monitor' and 'Milk Monitor'. We will change the jobs each week so everyone gets a chance of doing them all. Your pictures will go beside the jobs so we can easily tell who's in charge of what.

This is our whiteboard, just like you had in Nursery - we will play lots of games on this board and use it to help us learn new things.

We've got a birthday display.

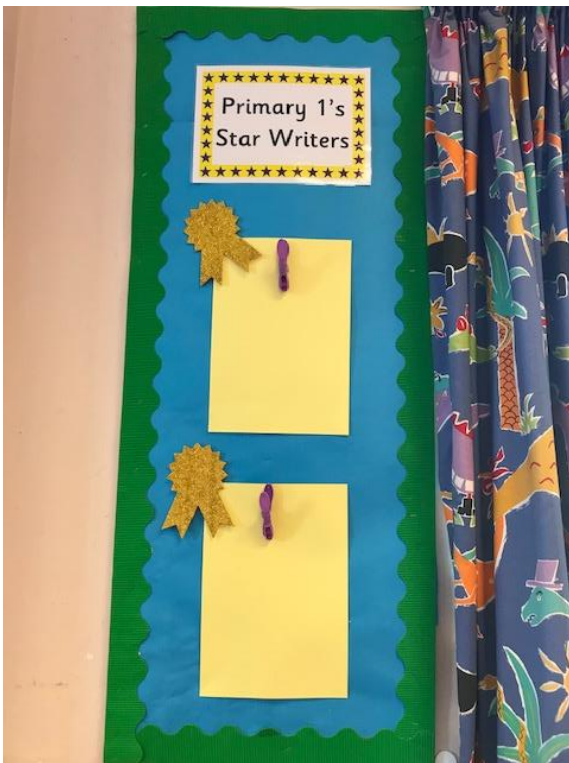

This is our Role-Play Corner - it is set up as The Three Bears Cottage which gives you a little clue about what our first topic in P1 will be!

We've got a lovely reading corner that has lots of books for you to read!

We've got our number line and alphabet just like Nursery.

We will celebrate our Star Writers each week!

Here are some of the play areas:

We'll have lots of construction toys but I've put out some lego out at the moment.

We'll have some number activities. This activity asks you to put the right number of pom poms into the cake cases using the tweezers - it's harder than it looks! On the other side of the table we've got some numicon which we will use lots in maths! Can you match the numicon pieces up to the right number?

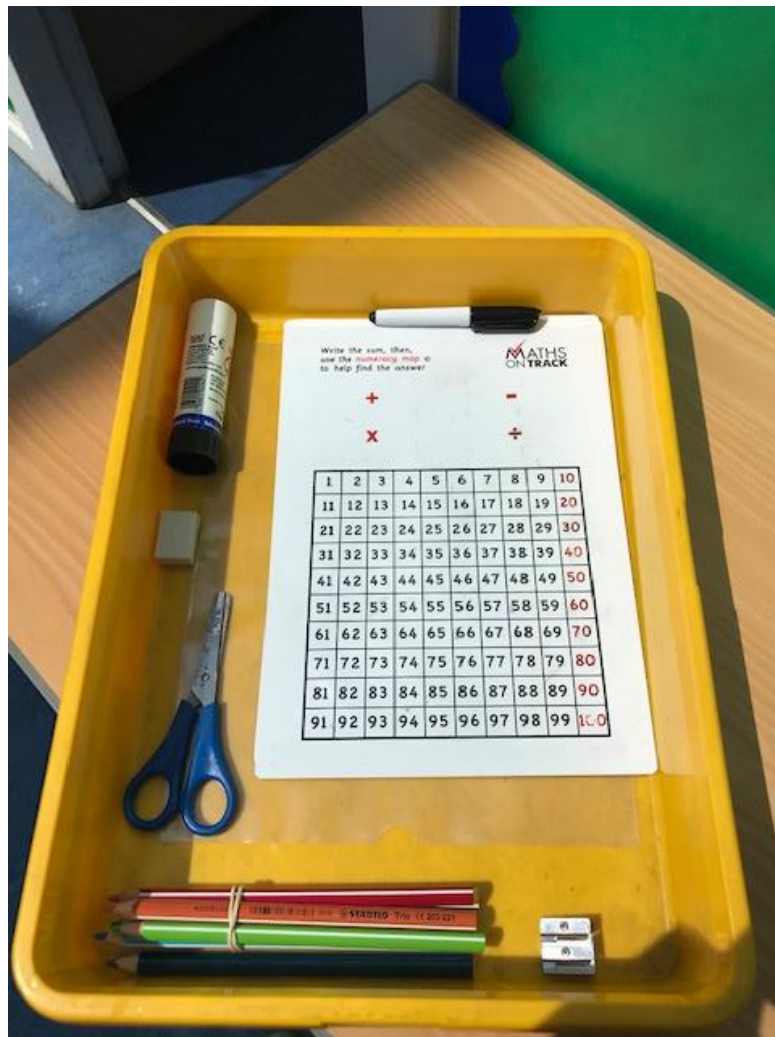

Our creative area - where you will be able to paint and glue.

Small world - dolls house

Last but not least - everyone will have their own tray and everything you need for school will be in here.

I can't show you the whole classroom unfortunately as the rest of the furniture is in a big pile so that the carpets can be cleaned during the holidays.

I hope this has helped and has given you the chance to see what to expect when you start in August.

I'm super excited to meet you all after the holidays! ☺
