

World Forum International Mud Day 2012

International Mud Day is celebrated across the world. It is organised by the World Forum Foundation which brings together children and early childhood professionals from all over the world.

JUNE 29

Support from the Start would like to help you explore the wonders of mud and other natural materials this summer. Whether it's on the 29th June or another date this summer we would love to see your photos of outdoor play which involves mud.

Join in some muddy fun from 1pm – 3pm on the 29th June

At the Pavilion, Neilson park, Haddington.

Or organise your own muddy fun and send the photos to Pauline McLaren at pmclaren@eastlothian.gov.uk

If you are an organisation or community group we can provide you with up to £50 to organise an event. This can be used for whatever you need to make your event a success but you must provide receipts for all expenses.

Lots of ideas can be found at
