

Growing Confidence

We all want our children to grow up happy, confident, secure and able to cope with life's challenges. Some children seem to manage this better than others.

Would you like to learn more about why this and how to support our children to develop emotional well-being in today's busy world

Come along to a taster session to find out more about our

Raising Children with Confidence Course

Taster Session

Whitecraig Community Centre

Tuesday 28th April

6.30 – 8.30pm

9 week course starts Tuesday 5th May
