

TACKLING FUEL POVERTY TOGETHER

FREE TRAINING WORKSHOP

Home Energy Scotland's community liaison team are running **free training workshops** to help reduce fuel poverty across the south east of Scotland.

This training includes:

- Facilitated workshops to explore fuel poverty issues
- Practical skills on saving energy
- Updates on available funding for energy efficiency improvements
- Real life customer case studies
- Examining partnership opportunities to work together to help vulnerable clients

May 10	West Lothian	Book now
May 18	Fife	Book now
June 9	East Lothian	Book now
June 29	Midlothian	Book now
July 21	Edinburgh	Book now

Over the last year we have trained **165 delegates** from over **75** different organisations including Shelter, Alzheimer's Scotland, Crisis, Christians Against Poverty and RNIB.

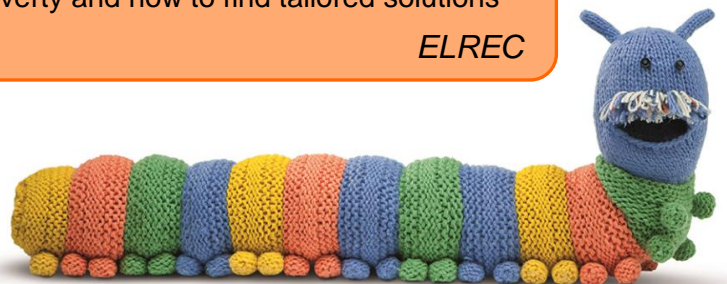

For further information about these training events, call Dagmara Opilka on **0131 468 8682** or email dagmara.opilka@se.homeenergyscotland.org

"The training was a great learning experience; the activities really gave us a practical understanding of the causes and effects of fuel poverty and how to find tailored solutions"

ELREC

"Best training I have been to in a long time"

Carol, Alzheimer Scotland
